

ADJUSTABLE TABLE. Two base heights - Low (which has a height range from 52-72cm) & High (which has a height range from 90-110cm). Base in steel, tabletop in steel, wood veneer or mineral composite. Base and footplate in the same colour. Crank and crankcase in natural tumbled zinc. Crank-knob in turned aluminum in the same color as the base, crank-knob is offered in different color as an add-on. Footplate Ø40.

Veva is offered with a tabletop in Hanex mineral composite for projects. Price example below for the Solo, Duo and Trio categories. If other options from the Hanex range are desired, ask us for a quote.

NOTE. Order must contain at least 7 tables with the same Hanex mineral composite tabletop.
